Music is our heart and soul.

For Immediate Release

With the launch of Clear Channel Radio's internet program 'Discover Artists' now available on all of its station's web sites, Roscoe Records is pleased to announce that Ladd Biro and his 'Isn't It Romantic' track has been moving up steadily on the hit list.

Clear Channel announced the program and accepted music submissions a little over a year ago. Since then, the 'New Artist' program became available on the web sites of 350 plus radio stations across the country, increasing exposure for independent labels and artists. With the availability of the 11 song 'Isn't It Romantic' CD through Borders and Amazon, the Clear Channel program can only help exposure and perhaps lead to on air radio play.

Roscoe Records would like to thank everyone requesting airplay for the CD (internet or broadcast radio) and for their unwavering support.
