For Immediate Release

August 12, 2009

Roscoe Records is pleased to announce a working relationship has been reached with Garland Records. Roscoe artist Ladd Biro will record 'I Found a Miracle in You' as well as three other artists, - all to be compiled on a single CD. The other artists include Shaunna Larkin, Brett Radar, both of Nashville, Tennessee, and Roseleena of Detroit, Michigan. The CD is to be released as early as September, and made available through Bridal Boutiques throughout the country. A release party in Detroit is in the planning stages, and all four artists are scheduled to appear. For more information and updates, visit <http://www.oneweddingsong.com>.

In addition to the news of 'I Found a Miracle in You', Roscoe Records is also expanding in the cyber world with the development of both a registered site on 'My Space Music' and Facebook. Both sites will offer support to the primary Roscoe Records website, and provide increased awareness and/or presence in both social networks.
