For Immediate Release

January 12th, 2011

Roscoe Records announced today that its planned release of Ladd Biro's latest CD, '*Climb To The Top*' will be delayed until February 5th. The 15 track CD had been slated to be in stores by January 20th, but final approvals as well as limitations on available materials due to poor weather conditions have caused the release to be delayed. Like Ladd's previous CD ('*Isn't it Romantic*'), '*Climb To The Top*' will be available nationally with Barnes & Noble, Borders, as well as Amazon, iTunes, and a full gamut of internet platforms.
