Music is our heart and soul.

## For Immediate Release

September 30, 2009

After several months of discussion, Roscoe Records is extremely pleased to announce that Barnes & Noble book and music stores have added Ladd Biro's 'Isn't it Romantic' CD to their music catalog. The 11 song CD is now available in or through any Barnes & Noble book store in the United States.

Barnes & Noble, the largest book and music store chain in the U.S., joins Border's, Amazon, and several other internet platforms in carrying the Roscoe Records product. With the inclusion of 'Isn't it Romantic', plans are in the works for additional products from Roscoe and its sister company, Allied North Coast Publishing.
